CENTRAL OFFICE

9th October 2017

Dear Friends,

We write in solidarity with your strike action 10 October 2017.

Unite stands in support of your fight to advance and defend public sector workers and the services they provide across France. In the UK our fight is for decent pay, against job cuts and proper funding for the services our citizens deserve and rightly demand.

We stand on the same platform of protest with you and wish you all every success Monday and in your campaign ahead.

In solidarity,

A handwritten signature in black ink that reads "Gail Cartmail".
